

ADDITIONAL DATA SENT TO CHILDREN'S AUTHORITY AND  
THE COMMISSIONER OF POLICE—Mon/25/May/2020.  
to registry, Commissioner, me,

Dear Ms. Abigail Joseph of the Children's Authority and Ms. Janelle Dodds of the Commissioner's Office, the DOB of Josiah is Friday the 5<sup>th</sup> day of July 2013 at 6.22pm.

***The Zoom (Virtual) Classes are going to be an integral part of our education system for a while and will eventually become a viable education alternative for parents who will like to monitor the tuition/response of their children/grandchildren, during their learning periods.***

I therefore congratulate the Westport SDA Primary School Infants 2 Class Teachers for this attempt to assist their paid for students. My experience with Josiah's unwillingness to go to school and the abuse committed to him in his home, is UNACCEPTABLE BEHAVIOUR in school and UNFORGIVABLE behaviour in his home in front of his mother and his grandfather.

The class started with 17 students and had some dropouts. My daughter stopped the Zoom Class for Josiah that same day, but is getting the information of what is being done from the teacher and that data is placed on a Schoology Website by the School, great developments by all.

The Zoom Meeting ID: 765 9857 7107 and the Password is: 050254 and starts about 9am and goes to lunchtime. Once you have the zoom app and log on, you just click "Join a Meeting" and put in the Id and Password and wait for the Host to let you in.

*The free zoom app keeps all their zoom meetings recordings for 30 days*, so the evidence of what I am complaining about and shared, can be accessed by the Children's Authority and the Police Commissioner, since the meetings started on the 5th of May and is continuing today 25<sup>th</sup> May.

***Observer status can be applied for as National Caretakers of our children. To stop any future dropouts from school because of abusive teaching styles is the responsibility of all of us.***

2 women spoke to me about Westport abusive teaching, which forced them to remove their children and I can watt-apps the message from one of them to the Commissioner and the Authority, if I had a watt-apps number.

**THE LEVEL OF CRIMINALITY FROM OUR YOUNG MALES IS DIRECTLY RELATED TO THE TREATMENT THEY RECEIVE FROM ADULTS AND OTHER INSTITUTIONS WHICH INTERFACE WITH THEM. *This new evidence adds to a long list of past evidence.***

The **NEW NORMAL** for Trinidad and Tobago, must engage with this reality *full frontal* as we Recover from COVID 19. Thanks again for your quick response and kind attention. Two numbers I have for the school are 637-1146 and 637-4624. Email: [westportsda@gmail.com](mailto:westportsda@gmail.com).
